

RUN WITH PURPOSE

FOR 25 YEARS... the Easter Sun Run has been benefiting Youth Horizons; a 501(c)3 non-profit ministry that operates in the Greater Wichita area serving children from single-parent homes - the majority of which are fatherless.

The negative statistics associated with growing up fatherless are staggering. **The proceeds for the Sun Run help kids like Josh:**

"Hi. My Name is Josh. When I was five I heard about Youth Horizons. I got matched with Charlie at six, and even at six years old I saw a lot. The path destined for me changed when I joined. I am now 25 and have two kids and a beautiful wife. If it wasn't for Youth Horizons and Charlie, I'd probably be in jail or dead. Youth Horizons is like my family."

This year the race will be held on **April 20, 2019**. This marks the 25th anniversary of the Sun Run. The morning starts out with a 10K, a 2-mile run, and the Jeff Wenzel memorial 2-mile walk. We finish the event off with a barbeque. This is a family-friendly event and will have a new **Kid Zone** this year, featuring an egg hunt, face painting, various activities, and a chance to meet the Easter Bunny!

WE WOULD LOVE TO HAVE YOU JOIN US FOR THIS MILESTONE!

2019 CHURCH OPPORTUNITIES

Churches are an integral part of who we are as Youth Horizons. We currently have mentors from over 45 different churches in the greater Wichita area! We are now asking that you, as a church, would consider helping us with one of our biggest fundraisers.

Churches can get involved by donating, volunteering, starting a team, and/or spreading the word. Any donation, whether full or partial, is very much appreciated! Any church that donates \$500 or more towards expenses will get the church logo put on the back of the race t-shirts! Any church that provides volunteers, donations, or creates an ESR team will get their Easter Service information included in race packet. This will allow people to feel as though they have a personal invitation to visit your church.
